**Start 2008 with a dazzling smile!** Visit Quality Dental for instant whiter, brighter and healthy teeth Ask us about our **OZONE Bleaching booster process**

**Teeth Whitening opening offer at Quality Dental**  
**\$150 off** (when you present this voucher)

At Quality Dental, we care about your dental health and general well-being. If you have not had a check up in the last 6 months, we would recommend this is done prior to the teeth whitening procedure as whitening on decay can caused increased sensitivity. All new patients will need an examination prior to the teeth whitening procedure.
